Please return via email to [imimreferences@rug.nl](mailto:imimreferences@rug.nl) before 13 JANUARY 2019 (23:59 CET)

### General information

The Erasmus+ International Master in Innovative Medicine (IMIM) is an English-taught, 2-year selective master, focusing on the education of tomorrow's leading translational biomedical researchers; [www.innovativemedicine.eu](http://www.innovativemedicine.eu).

You have been approached by one of the applicants to this programme; we would appreciate your personal evaluation of the applicant's scientific aptitude, intellectual ability and personal characteristics which would influence their potential success in an ambitious and international programme like IMIM.

**Please make sure the form is first downloaded, saved (with the last name of the candidate in the file name) and then opened in Adobe before filling it out; filling it out in your web browser often causes filled out details to remain unsaved.**

Please fill in the candidate's name and all other information requested in the form below. You can add any additional relevant information on the last page of this document (or attach a separate reference letter). After having filled in all requested information, please save the filled out form and send it to [imimreferences@rug.nl](mailto:imimreferences@rug.nl) with the students name in the email subject bar.
